HOW TO BECOME A DENTURIST IN
Arizona

www.nationaldenturist.com | 360-232-4353

After schooling and training completed an application for licensing is submitted to the state licensing agency to sit for the state board exam that consists of a written test and clinic and lab demonstration of skills.

SCOPE OF PRACTICE

B. A person is deemed to be practicing denture technology who:

1. Takes impressions and bite registrations for the purpose of or with a view to the making, producing, reproducing, construction, finishing, supplying, altering or repairing of complete upper or lower prosthetic dentures, or both, or removable partial dentures for the replacement of missing teeth.

2. Fits or advertises, offers, agrees, or attempts to fit any complete upper or lower prosthetic denture, or both, or adjusts or alters the fit of any full prosthetic denture, or fits or adjusts or alters the fit of removable partial dentures for the replacement of missing teeth.

C. In addition to the practices described in subsection B of this section, a person certified to practice denture technology may also construct, repair, reline, reproduce or duplicate full or partial prosthetic dentures or otherwise engage in the activities of a dental laboratory technician.

D. No person may perform an act described in subsection B of this section except a licensed dentist, a holder of a restricted permit, certified dentist or auxiliary personnel authorized to perform any such act by rule.
